

IMPACT Sponsorship Program

For Individuals

The **IMPACT** that Mount Si Football community is well known with four last five years, six consecutive mer student athletes playing More importantly, Coach Kin-veloping the *whole* about a player's character and the gridiron.

has on our student athletes and State Playoff appearances in the winning seasons, and eleven for- at the college level in 2011. nune and his staff focus on de- player. They care as much about a player's character and academics, as their skills on

But did you know Coach Kinnune and his staff do this incredible job with a fraction of the budget of elite programs like Skyline, Bellevue, Issaquah and Bothell? Despite this disadvantage, the Wildcats are still able to compete in the most difficult conference in the state, where ten of the last eleven State Titles were won by Kingco 3A teams.

The Boosters of Mount Si Football want to have a greater **IMPACT** in 2011 by making significant investments in off-season coaches' training, off-season skill development for players, better equipment and uniforms, technology improvements, additional coaching staff and more playing opportunities. The **IMPACT** of this increased investment?

It will elevate Mount Si Football from being merely competitive to ELITE status.

Mount Si Football is on the verge of becoming an elite program that not only makes the State Playoffs, but *wins* in the Playoffs. And most importantly, it continues to be a program that provides our sons the opportunity to develop fully into the young men of character that our Valley is so proud of. Please join Coach Kinnune and the Wildcat Football Booster Club as we partner together to take Mount Si Football to

Mount Si Football Top Priorities

Off-season Development of Coaches and Players:

- Strength and agility training
- Skill Training, 7 on 7 camps, and OL/DL camps
- Fitness Center/Weight Room – continued enhancements and maintenance

Additional Game Experience:

- Adding 10th grade games
- 7 on 7 tournaments
- Team summer camp

Well-Equipped:

- Equipment and uniform upgrades
- Faster replacement cycle

Academic Assistance:

- Study halls and tutoring
- College merit scholarships

College Bound Student-Athlete Support :

Provide our student-athletes and their families support and guidance in the opportunities to play collegiate athletics.

Public Recognition and Promotion of our Athletes and Coaches:

Recognize and promote our current and former student athletes and coaches

Technology upgrades:

- Stadium and end-zone cameras
- Portable end zone tri-pod camera mount
- Software upgrades for scouting and playbook design
- New laptops
