Robin Reed will purchase supplies for about 400 meals for Friday's playoff game.

Bob & Sandy Chapman will get together with Gwen to coordinate freshman parents volunteers to help in concession stand and tailgate. Warren Clark needs 2 shifts of volunteers for the tailgate. 1<sup>st</sup> shift 5:00pm for set-up – the end of the 1<sup>st</sup> quarter. 2<sup>nd</sup> shift at the end of the 1<sup>st</sup> quarter - shut down (sometime during the 3<sup>rd</sup> quarter.)

**Vote:** It was proposed a \$500 donation to the cheerleader should be made in recognition of Warren Clarks support through the years in tailgating. Jeff Mitchel motioned. Everyone agreed.

**Merchandise & Advertising:**

Linda Deutsch will check into purchasing white towels and silk screening red paws on them to sell at game on Friday.

Scarlet & Grey club members can pre purchase tickets for Friday's playoff game for \$20.

This will include reserved parking, special seating and admittance into the game. It will be checked into if we can have them use their normal special entrance into the stadium due to it being a State Playoff game and WIA in charge.

We will need parking attendant volunteers for Scarlet & Grey Club. Warren Clark will need the money from Club members who wish to pre purchase tickets by Wednesday at the team dinner.

**Banquet:**

Date will be determined at a later time. Each player will bring something especially assigned to their class. Rhode's will be donating pork and chicken sandwiches.

**Vote:** Coach Kinnune would like to rent out the movie theater and have a breakfast for our Wildcat players at Ken's Truck Town this week. Budget for this would be around \$400. Jeff Mitchell motioned, Dave Snead seconded. Every one agreed.

**Pictures:**

Kurt Carlson does a great job taking photographs of our boy's every game. We need to send out a big thank you to him.

**Website:**

Dave Snead said our website had 5500 hits yesterday. He brought up the idea that the website would be a good way to advertise in areas we need volunteers, products or sponsorship in. Robin Reed thought it would be a great way to thank people too.

**Treasurer:**

Lisa Copeland reported that our revenue and expenses are both down. She will have a detailed report at the Banquet.

**Academic Assistance Program:**

Sandy Chapman reported that we average about 30-35 students in the program. She would like someone to organize meals coming in to help keep costs down, volunteers or upper classmen to help mentor and keep the students on task and set a great example.
