Linda Deutsch – Programs are doing well, there are still some available for sale.

Dave Malberg – suggests special line or use of the back window for Scarlett and Grey members for concessions, group agrees.

Dave adds – the freshman team had a win! This started a discussion about who keeps the official stats. Dave Snead added that the Coaches do a 10 page stat report after each game which is submitted to KingCo. Stats are posted to the Mt Si High Football stats page for the last five years, this year is not posted yet. Mitchell will email Greg Hart (?) and Coach Kinune about stats.

Angi Davis – Friday Night Experience – Regarding Senior Night, seniors questionnaires are out to families, plans include holding the run through banner for a photo backdrop. There's room for groups of 6 to 8 for the photograph. Angi agreed to give the Senior Night info to Dave Snead for the web. The photography class isn't responding about taking the pictures, Candy Pike will take them. If there's rain, we will use umbrellas for the walk and shoot fast.

Kenny Williams – Thursday night at Mercer Island is a huge game. Comcast will be there. Group agrees to have boosters pay for bussing to Mercer Island. Wanting the game info added to the morning announcements.

Jeff Mitchell – Current state of the program: Sophomores are getting playtime this season due to the 11th grade team. Custom made black uniforms are ordered, to be worn home or special events. The video program (huddle?) was praised. End of the year banquet in the works. Looking towards 2012 – wishlist? 25 second clock - \$1000 to \$1500. VP will investigate. The idea of having an add or banner, space sold on the clock was discussed. There was discussion on recruiting at the middle schools to get an early buy in and a jump start on fund raisers, etc.
